## PROPERTY DESCRIPTION

DOWNTOWN BEAUFORT along THE BEAUFORT BAY with a high bluff & Oaks is a brick home on a beautiful acre of waterfront property. The view of downtown and the bridge is breathtaking, which can be enjoyed from the heated and cooled glassed in Carolina porch, as well as from the living, dining and master bedroom areas. The home has been recently painted and the hardwood floors have been refinished. The living room is versatile with a working fireplace for cold winter nights, and the bedrooms are nicely sized. Built in bookshelves will compliment any library or display family treasures. There a large formal dining room with space for entertaining. The outside features a large turnaround drive and the side yard would be great for the littlest family members. The backyard is covered in shade by many oak trees and in the spring the landscaping will bloom in many colors with established plants. Amazing one of a kind views in a desirable location! Downtown Beaufort at it's best.
